

CONSTRUCTION INTERN

KANSAS CITY AND OMAHA OFFICES

Hausmann has steadily matured into one of the region's premier general contracting, construction management, and design build firms. Our team is actively seeking standout applicants for an intern that is interested in putting their knowledge to work on some of the largest commercial construction projects in the area.

This position will be responsible for performing tasks related to both project management and onsite construction activities at all stages of project duration. A successful applicant will demonstrate a commitment to the ability to work under immediate supervision to learn all aspects of performing various assigned project management and on-site construction tasks.

An exciting opportunity with Hausmann awaits the right candidate. This is a busy, high-volume and friendly environment that will suit a hardworking person with the desire to grow in a company with an award-winning culture. Benefits include a competitive wage, energetic work environment and opportunities for advancement.
