

ESTIMATOR

LINCOLN OFFICE

Hausmann has steadily matured into one of the region's premier commercial general contracting, construction management, and design build firms. Our team is seeking a qualified candidate to join the Estimating team and assist with the gathering of proposals, coordination of bids and the accurate and detailed task of take-offs through a number of different software applications.

The Estimator position is responsible for the overall preparation of gathering proposals and related documents to prepare for bids, identifying the requirements and computing the costs for labor and materials, maintaining cost data and trends, and representing the company at pre-construction / pre-bid meetings.

The Estimator will help prepare special reports by collecting, analyzing, and summarizing information and trends in a timely manner. Problem-solving skills, attention to detail, along with a Bachelor's Degree in Engineering or Construction related degree, and experience with OnScreen takeoff software will all be sought in a successful applicant.

An exciting opportunity with Hausmann awaits the right candidate. This is a busy, high-volume and friendly environment that will suit a self-motivated person who acts in a manner of integrity with the desire to grow in a company with an award-winning culture. Benefits include a competitive salary, comprehensive and competitive benefits package, an energetic work environment and opportunities for advancement.
